

Dear interns,

You're about to embark on your first mission. Unfortunately, I won't be able to attend you in person. I have tried everything, but regrettably I wasn't able to postpone my contract in Hawaii. Not to worry! I have summarized everything I've found on the case in this letter.

Forward this information to ALL members of this mission!

CASE: THE DISAPPEARANCE OF ANNA MORANA

DATE AND TIME: I've arranged for the property management to pick you up at the meeting place listed below. They will have sent you an email with the exact date and time. Be punctual! The property management is extremely fussy and tardiness won't be tolerated. **If you show up late, the ghost hunting will not take place.**

MISSION LOCATION: Ruschestraße 70, 10365 Berlin-Lichtenberg

MEETING PLACE: Car park behind the building.

You'll be picked up from the former petrol station building. I've attached a sketch of the place below this letter. For emergencies you can contact the property management via phone: +49 (0) 30 373 065 11.

MISSION CONDITIONS: The mission will begin IMMEDIATELY. You will not have time beforehand to drink a cup of tea, tie your shoes, or go to the toilet. Leave all sharp objects or unnecessary luggage at home or in your car. Be sure to bring your protective and/or reading glasses.

CLOTHING: Wear practical and durable clothing. Muted colours are recommended. (red and orange irritates ghosts and green will cost you your life in case of ghouls).

FOOTWEAR: Appropriate footwear for rough terrain. Ectoplasm- and watertight footwear is recommended.

EQUIPMENT: Not required. Please leave any home-made ghost-traps at home! I have sent my patented professional equipment which will more than fulfill all of your ghost hunting needs.

PLEASE WRITE TO ME IMMEDIATELY in case your group size has changed so that I can see to it that you have the amount of equipment required (naturally at an extra cost).

Don't do anything I wouldn't do!

Greetings from Hawaii!

Brandon Darkmoor
